#### Tips and Tricks

- Eliminate Alpha Monsters to collect as many letters as early as you can. Spell the word "EXTRA" to earn an extra Mr. Do!. Unicorns temporarily turn into Alpha Monsters when you collect the magic shield in the castle tower. To collect the shield you must open the gates by smashing all the key stones in the level.
- Use your mallet to smash bricks and squish Unicorns or deter them from chasing you. When Unicorns stumble and get stuck in a hole left by a knocked-out brick, you can:
  - Swing your mallet, while on the same floor as the Unicorn, to knock them down to the floor below
  - Seize the moment, go up to the floor above while the Unicorn is trapped, and knock a brick down from directly above the Unicorn's head to squish it
